To Whom It May Concern:

The Certificate of Correction issued on June 15, 2010, issued in error, in that error(s) was made in identifying the patent number and/or keying text/corrections, i.e.:

The title page displaying the corrected illustrative figure was included in the issued cofc but the number displayed is illegible. There is now 1 drawing sheet included in the patent. A superseding cofc will be prepared to include the title page displaying that there is now a drawing sheet in the patent.

---

Therefore, a certificate of correction will be issued to correct (supersede) the Certificate of Correction containing error(s), made during preparation of the Certificate of Correction, as noted above.

No further response is required, from applicants (attorney). However, errors discovered by attorney, other than as noted and described above, should be noted on *a copy* of the Certificate of Correction that was issued in error, accompanied by a signed transmittal letter and submitted directed to this Branch.
